

COVID-19 Response Update: May 19, 2021

We are here to serve you.

Please be assured that Alliance Sports Travel takes the health and well-being of our clients very seriously. We continue to monitor the effects of travel due to Coronavirus (COVID-19). The safety and well-being of our clients will not falter and remains a top priority.

Alliance Sports Travel has implemented a COVID-19 clause in all contracts for the protection of our clients. If for some reason, any family cannot travel due to COVID-19, or any sudden enforced policies due to COVID-19, such as games played without crowds, your reservation will be canceled at no penalty. **As for the 2021 season, reservations for all (Fall) football parents away games are being made as normal.**

Alliance Sports Travel believes in responsible and safe travel while being cautious. If you are looking for additional, optional guidance on following procedures and protocols, we encourage you to visit the [World Health Organization](https://www.who.int) (WHO) and [Centers for Disease Control and Prevention](https://www.cdc.gov) (CDC).

Please take care.

Yours in hospitality,

A handwritten signature in black ink that reads "Karen L. Cowan". The signature is fluid and cursive.
